Cost effective rates for equipment, maintenance and calls

# YOUR TOTAL TELEPHONY PACKAGE

Whether you're upgrading, relocating or starting up, 'yes' Business Totality offers the total telephone package for small and medium sized businesses in any industry<sup>1</sup>.

Affordable and managed, this solution includes:

## EQUIPMENT

Alcatel PABX system including handsets and installation

## MAINTENANCE

PABX maintenance<sup>2</sup>

## CALLS

Optus Competitive rates for voice calls

## FLEXIBILITY

When it comes to equipment, rent or buy outright the choice is yours<sup>3</sup>. You can pay upfront or make monthly rental payments over your contract period<sup>2</sup>.

## ONE BILL

If you choose the monthly rental option, to make things even simpler, you'll receive one easy-to-understand bill covering voice calls, equipment, installation, maintenance and monthly service charges.

## QUALITY

Take advantage of Optus' high quality voice delivery and Alcatel's range of business-enhancing PABX features.

## SCALABILITY

As your business needs change, your tailor-made 'yes' Business Totality package can change with you, by allowing you to purchase more handsets as required.

Optus can customise a solution to suit your business requirements.
